2059 RAYBURN BUILDING

March 31, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the My Brother's Workshop Main Campus Building project in fiscal year 2024. The non-profit entity to receive funding for this project is My Brother's Workshop, Inc., located at 26A Charlotte Amalie, P.O. Box 503205, St. Thomas, VI 00802. The requested funding would be used to build Main Campus Building 2, a building which will provide additional education and workforce development that will lead to employment and better financial stability in the U.S. territory of the Virgin Islands. This project is a sound use of taxpayer funding, and is consistent with the primary objective of the underlying community development program, because it will construct a building that will be used by a community non-profit organization to provide education, vocational training, mentorship, and job placement counseling that will lead to employment and better financial stability in the U.S. territory of the Virgin Islands.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. section 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stacey E. Plaskett
Member of Congress
